Very Important Message

“That which has been is that which will be,
and that which has been done is that which will be done.
So there is nothing new under the sun.”

Ecclesiastes 1:9, along with 3:15, may well be the second most important and revealing truth there is in the entire Bible—the first being the Son of God, the savior of all mankind. Why can this be the second? For one reason: The first truth reveals the King, and the second reveals His kingdom. Let us now examine this second most important truth.

Adding to the significance of this critical second truth is that its greatest message is located at the very opening chapters of the Bible, and more specifically in chapter 3. In it we see the specific cause of the terrible fate upon the kingdom of God and kingdom man. So what does the Garden of Eden reveal? First, Adam and Eve were in a place occupied by the serpent, Satan. And of course this is true with the church, the kingdom of God, as well. The kingdom, the Garden, was given to man while Satan had every right to corrupt it and take him to death. And, the reality is that the true fulfilling Garden was not supposed to come until the seventh day—the Sabbath rest when Immanuel would come and set up His kingdom. That is why Legion Satan asked Yahshua: “Have You come here to torment us before the time?” (Matthew 8:29). And for the first six thousand years (a legion was six thousand men), Satan has had every right to take men to death, even as we read in Genesis 2:17: “from the tree of the knowledge of good and evil you shall not eat, for in the day that you eat from it, in dying you will die.” And ever since the original defiled Garden, man has gone to death, even including kingdom man. And MOST telling, we are seeing this same scenario in full force at the nations level today! Let us see.

“America” means “[kingdom of heaven](#),” and is in fact the Garden of Eden at the nations level, and at its founding was often viewed as the promised land. But herein is the fate of that identification: It will and is following in the fate of the original Garden. Let me be clear here: Feminism destroyed the original Garden, and since the Curse of 1920 has destroyed this nation, and let me add, in the same period has been and is destroying the church! Thus we see the Garden, the nation, and the church are being defiled/corrupted. And today, if God does not cut time short and send His Son, feminism will destroy the world as well, as it is written, “For then there will be a great tribulation, such as has not occurred since the beginning of the world until now, nor ever will. Unless those days had been cut short, no life would have been saved; but through the elect those days will be cut short” (Matthew 24:21-22). This elect is the Bride—uniquely feminine, but at a higher heavenly level.

And what is feminism? It is nothing less than that revealed in the original all-important pattern of the Garden. With the fall of man, Yahweh first spoke to Satan, then to the woman, and finally to the man, declaring in Genesis 3:17:

“Because you have listened to the voice of your woman ...”

And then God cursed the man! And today we are seeing that same curse ever since 1920 when men once again listened to the voice of the woman, and it is and will destroy us today, including the church. And confirming this curse, the curse on the woman was nothing less than her desire for the place of her husband (3:16):

“Your desire will be for *the place of your husband,*
and he will rule over you.”

I wish I could impress upon you how evident and significant this truly is. Majorly!

If you have any question about this specific verse, [read here](#). Also, read [The Curse Of 1920](#). Unfortunately, men today have abdicated their headship role by listening to the voice of the woman, thereupon fulfilling Isaiah 3:12: “O My people! Their oppressors are children, and women rule over them. O My people! Those who guide you lead you astray and confuse the direction of your paths.” Society today is deeply, deeply confused, calling good evil and evil good.

And regarding America, the kingdom of heaven at the nations level, this male/female conflict is never more evident than in the politics of the feminine Democrats and the masculine Republicans. And, it is not by happenstance that at this time Trump beat Hillary, and Nancy is Speaker of the House—just as it is wrong for women to rule in the home. Furthermore, we have a Republican president who is prophetically standing in type as the Son of God with his head of gold and his battle with the feminine Democrats. And in this place he is artfully not listening to the voice of the woman, who listens to the voice of the serpent, Satan. Again, “there is nothing new under the sun,” and we see all too clearly in national politics what is going on in the spiritual. Feminine Democrats want power and are equally ruled by their emotions and not by just and proper government. They are the Eve, once again listening to the serpent. Déjà vu! They desire a socialistic nanny state which is weak feminized thinking (if it is true thinking at all).

Pray for Yahweh to reverse this curse and bind Satan. And pray that He will raise up and call apart Immanuel’s bride. Come quickly, Immanuel!
