

GARY REPORT

The Power Of Intercession

Shortly before I moved to Missouri, arriving on August 31, 2005, I had made a trip there to meet two former pastors who were considering Remnant Bride truth. I remained there with them for a few days, but it was one particular experience that made that visit most significant, as well as a very noteworthy fact.

First, while there I took a break one day and went over to a park and sat down on a bench. As is normally the case with the way the Father teaches me, suddenly, out of the clear blue, I saw something I had never seen before, and it was amazing! I saw and completely understood that the office of the twelfth apostle that had belonged to Judas, went from him to Satan, who has occupied it for two thousand years. But now at the end of that time period it must return back to a man—the Elijah. As you can imagine, that was a most profound thing to see! In fact it was so profound that I was very hesitant to share it with the two former pastors, but did so and they understood and accepted it. What an amazing revelation! But just now I have seen even more concerning this period and how it applies to our present time.

Let me get straight to the point and add the second interesting and telling fact. Where Yahweh chose to reveal this important truth to me was in a town in Missouri named, of all things, Clinton. It is evident today that He is prophesying through this and more, especially since in the last election Trump defeated Clinton. And there is even one thing I have been referring to which is different from what I have assumed. Let me explain. And let me remind you that “that which has been is that which will be, and that which has been done is that which will be done. There is nothing new under the sun” (Ecclesiastes 1:9). This is such a true and relevant fact.

First, with the last election, there were of course two candidates—Clinton and Trump. Everyone was thinking that Clinton would win, but they were wrong. And here again, the natural reveals the spiritual. And there is a lack of understanding with mankind that seems especially relevant as we approach the coming of Immanuel.

Let me get straight to the point. There are two primary forces working on the earth today—one is female and one is male. The female identity is that of Satan, the unfaithful wife to the Father. But she rebelled against the Father and was cast down to the earth. The other force, the male, is indeed the Father and the Son. These two forces are in opposition with each other, and in time the male will rule over the female. As it is written from the beginning, spoken to cursed Eve: “Your desire will be for the place of your husband, and he will master you” ([Genesis 3:16](#)). This conflict has been going on throughout the history of man, and is rampant since the [Curse of 1920](#)! And this conflict is abundantly clear today with Hillary Clinton (who ran to be the first female President) and Donald Trump. (And this feminism and its ill and unlawful and destructive affects are clearly seen where a woman is the head of the House—Nancy Pelosi.)

So, recognizing this clear conflict, it is quite amazing and relevant that at Clinton, Missouri, the Father chose to reveal to me that Satan has had the office of the twelfth apostle for two thousand years, and as well that I went there to be with two former pastors, which will be addressed. And it has to be relevant as well that, unbeknownst at that time, later that year I would move to Salem, Missouri. And, the clear prophetic nature of all of this did not stop there, but continued to unfold shortly after I moved there, arriving on August 31. Then on October 16-17, several Bride members gathered in my home in Salem. Let me now briefly tell you about that event, which was recorded in considerable detail in the writing, [Trumpets, 2005](#).

Getting to the point, we gathered for a most important and reveling intercession. What is intercession? Basically, it is walking in/carrying out a shadow testimony so as to reveal and even secure the greater fulfillment. I hope you understand this. The chief example of this was Passover. The Passover lamb was slain, looking forward to and calling for the fulfillment in Yahshua's crucifixion at Passover. And what we did in like intercession was for the fulfillment that I hope and trust we can and will experience in these coming days. Let me explain that October 16 intercession.

First, and not planned, in fact none of this was preplanned, was that it would speak of the latter-day twelve apostles. We realized that it was a twelve-and-one gathering—twelve guests and myself. And while the twelve-and-one pattern was important, it was in fact what we performed that was all the more important.

Reversing the curse, in fact curses, off of man was our focus. To make this simple, there were four pairs of individuals who represented four specific curses. And again, remember, this is intercession—just as slaying a lamb on Passover was an intercession, which was in fact later fulfilled. The four groups in their order were two black men, two women, the two pastors I had been with, and finally a medical doctor and another man whom I will explain.

In each individual case, in the above order the two knelt down on the floor, facing each other (as with the angels over the arc of the covenant), and cried out to God for forgiveness relative to each group. First there was the black man and the curse that has been upon them from Cain. Second, the two women prayed for reversing the Curse of 1920 on the woman, and all the sins and iniquities going all the way back to the Garden of Eden. Third were the two pastors who humbly confessed the sins of pastors. And fourth was the doctor and a man who had been responsible for the abortion of three children. They knelt down and prayed for this Curse of 1920 where in America multiple millions, and even worldwide over a billion, babies have been killed by it.

Furthermore, the man who was not a doctor was added at the last minute. And we were very aware then of the fact that by doing so, we added the eighth person. How was that significant? Particularly evidenced by Moses's trips up Mount Sinai, when Moses had gone up the seventh time Yahweh declared that because of their sins He would not go with them in their continuing journeys to the Promised Land. But at Moses's appeal, Yahweh repented of this and thereupon called him up on the mountain now an eighth time, giving him the promise of Exodus 33:18-23 where Moses would stand on a rock by Him, then be hidden in the cleft of the rock as His glory passes by, and then Yahweh would remove His hand and Moses would see His back. Also, there

the laws on the tablets of stone were restored and Moses came down with Yahweh's glory. So, one can see that adding an eighth testifies to reversing the curse, and this we were aware of when the eighth person was added.

But, was Moses truly the fulfillment of the full and complete promises? No, for about six hundred years later Elijah went up Sinai, repeating everything Moses did, plus he actually fulfilled being hidden in the cleft of the rock and was then called out. So Elijah is in fact the one who fulfills the promises given to Moses. This is clear in Acts 3:21-23 where, without question, the "prophet like me (Moses)" is the Elijah. And more specifically, Moses looks to the first Remnant work, and Elijah is the latter true fulfillment, along with the second Remnant. Thus, Moses's eighth trip up the mountain was simply the first Remnant promise, but the true consummating fulfillment must come with the second Remnant Elijah ninth. This is what I trust we will more so experience when we return to Africa. The intercession we had per the twelve apostles will quite possibly begin to find its fulfillment in Africa. And when we go there, there will be five of the twelve chosen apostles present, along with myself.

There is one other most important and revealing testimony regarding this highly important pattern that we need to add here. We see that the eighth speaks of Moses, and the ninth speaks of Elijah. Of course regarding numbers, that completes the 0 to 9 sequence. The number 10 actually begins the next cycle. So in this sequence at hand, what does the new beginning bring? Immanuel! He is the higher-level tenth. We see this testified as presented here regarding the eighth and ninth, but do we see elsewhere a tenth trip up Sinai? Indeed so.

In Matthew 17, Mark 9, and Luke 9, we find Yahshua taking Peter, James, and John up a "high mountain," the mount of transfiguration. But, the name of the mountain is not told to us. Why? Either literally or simply spiritually, that mountain was/is Mount Sinai, and this is now the tenth trip up the mountain. How so? The eighth trip up Mount Sinai was performed by Moses. The ninth trip up Mount Sinai was performed by Elijah. Now, this all-important tenth trip up "Mount Sinai" unites Moses and Elijah, along with Yahshua! Also, in first Remnant Matthew, the three apostles did not sleep. And in Christianity Mark, they did not sleep. But in second Remnant Luke, the three of them slept. So it is with two thousand years of Christianity, and would be for three thousand years if Yahweh did not cut their days short. So we see the fulfillment of this vital curse-reversing Moses eighth, yet actually not fulfilled until the Elijah ninth, and thereby bringing about the coming of Immanuel, the tenth, and uniting the eighth and the ninth.

And when we, the Elijah fulfillment and five apostles, gather in Africa, I pray that with this revelation of truth we will see fulfilled what must begin to take place in order for the latter work to be completed and the Moses and Elijah works be called up to a truly "high mountain" and see Immanuel.

Now, let us examine these prophetic types afforded by Clinton and Trump. Clearly, Hillary Clinton is a type of Satan, and Trump is Immanuel, the one with the head of gold. But let us note something here. John the Baptist preceded and prepared the way for Yahshua. In fact, His ministry was actually begun by John, and in John 3:26 Yahshua's ministry began with His baptisms in the same Jordan River: "So John's

disciples came to him and said, ‘Look, Rabbi, the One who was with you beyond the Jordan, the One you testified about—He is baptizing, and everyone is going to Him.’” Up to now, I have viewed exclusively that Trump is a type of Immanuel. But I trust there will be an equal overlap, and the resurrection testimony that John also afforded in baptism will be our removal from the waters of death. This would afford the Elijah the same evidence and certainty of victory evidenced in Trump, including over Jezebel as attested today by Hillary Clinton who also saw her electoral fall, just as when Jezebel was pushed out of the window and the horses of Jehu’s chariot trampled her and the dogs ate her.

Also regarding Trump, if reelected he will be the tenth president in the dramatic and highly significant sequence of seven presidents who died in office every twenty years, and the eighth, Reagan, was shot and narrowly escaped death. Then the ninth, George Bush, was the first to not have his life threatened and remains alive to this day. Relating this to the trips up Mount Sinai, the eighth-trip “Reagan” first Remnant died but are the first to come out of death—it does not hold them. And of course the ninth-trip “Bush” second Remnant do not die but ascend alive. And as the tenth, per the trips up Sinai, Donald John Trump (John being the fulfilled kingdom), clearly attests to Immanuel. This is a profound and obvious testimony that the Father has provided us.

(2.) Abraham Lincoln	Elected 1860	Died April 15, 1865, of a gun shot to the head
(3.) James A Garfield	Elected 1880	Died Sept. 19, 1881, of a gun shot
(4.) William McKinley	Elected 1900	Died Sept. 14, 1901, of a gun shot
(5.) Warren G Harding	Elected 1920	Died Aug. 2, 1923, of an uncertain cause
(6.) Franklin D Roosevelt	Elected 1940	Died April 12, 1945, of a cerebral hemorrhage
(7.) John F Kennedy	Elected 1960	Died Nov. 22, 1963, of a gun shot to the head
(8.) Ronald Reagan	Elected 1980	Shot March 30, 1981, but did not die!
(9.) George W Bush	Elected 2000	Prevailed in a phenomenally prophetic and intercessorial election battle
(10.) Donald John Trump	Elected 2020	Prepares for return of Immanuel!

Back to the subject at hand, with the establishment of the Elijah, as with John the Baptist there is a transition period where the one preparing the way for Immanuel performs acts that will then lead to His coming. And possibly the most obvious is the establishment of the latter twelve apostles. This is important. Yahweh’s latter-day government must be established. And it will be interesting to see how other facets of His kingdom come to light beforehand. Remember, He will be King of kings. When Yahshua first came He was the lamb, but at His return He will be a lion. You see this evidenced when He cleansed the temple. Today we should see something similar in the

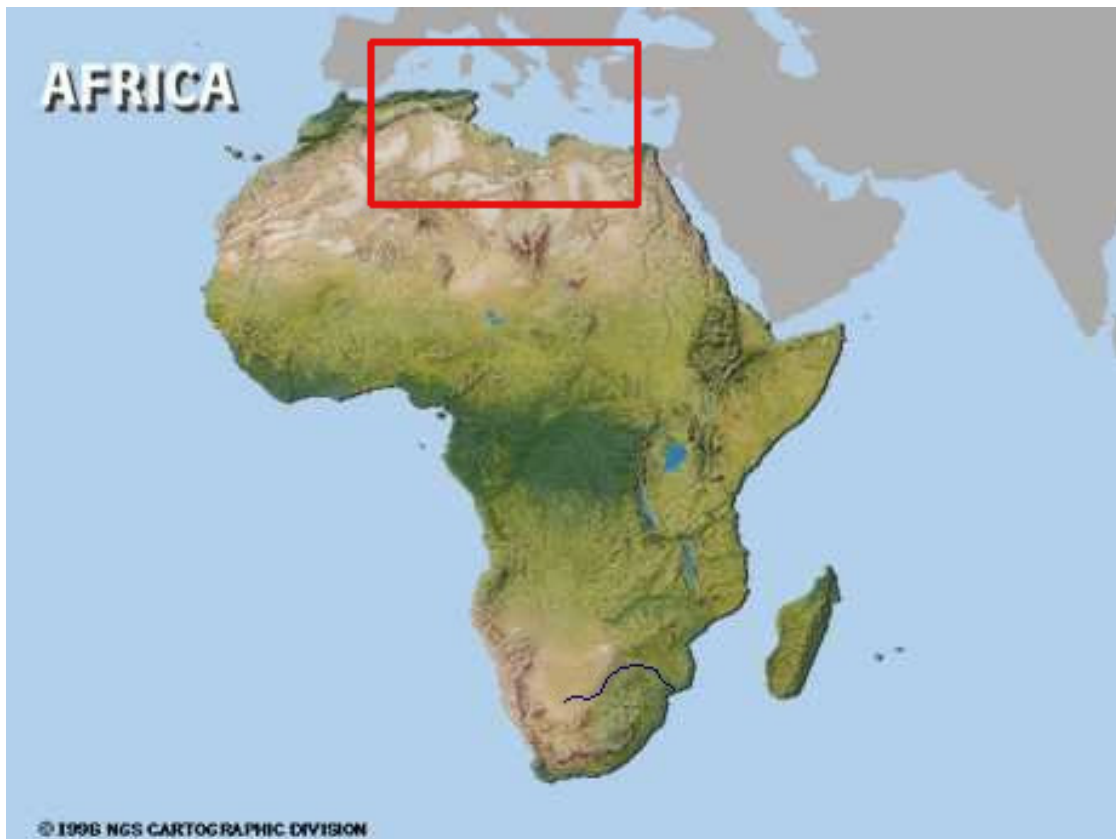

preceding Elijah who prepares His way. But, the reality of this is wholly up to the Father and the power of the Holy Spirit. And let me add here, we see that same effectiveness attested in Jehu, a type of the Elijah. And this is the same victory that Trump attested over Hillary, as well as over Nancy Pelosi and the foul and despicable and lying “Demoncrats.”

Let us now add one more interesting and affirming testimony. Thus far, we see that Yahweh revealed this truth regarding the office of the twelfth apostle when I was at Clinton, Missouri. Afterwards He moved me to Salem, Missouri. And we had the intercession for reversing the curse there as well. So do we know anything else regarding Missouri? Well, if you look at a map, it is shaped like a boot, with a distinct heel. In fact it is specifically called the “Missouri Bootheel.”

So we then ask, what is it that is under the heel of Missouri? Arkansas. And who was born there in Hope, Arkansas, and Hillary followed to Arkansas to be wed? Bill Clinton, who became attorney general and governor there before he became president. So we see that Missouri, where the Father has led me to and even there revealed the truth regarding the transfer of the office of the twelfth apostle from Satan to Elijah, is in the legal position to bruise/crush Satan's head! And the Clintons really are a type of Satan, even Ahab and Jezebel. The two even attest to the male/female identity that Satan has. Thus it takes two people, Bill and Hillary, to attest to him/her. The father of lies is clearly manifest in the lying and deceptive Clintons. "You are of *your* father the devil, and you want to do the desires of your father. He was a murderer from the beginning, and does not stand in the truth because there is no truth in him. Whenever he speaks a lie, he speaks from his own *nature*, for he is a liar and the father of lies" (John 8:44). So be the Dems/Demons—e.g., shifty Adam Schiff.

Furthermore, in Genesis 3:15 it is written concerning Satan, the serpent: "And I will put enmity between you and the woman, and between your seed and her seed; he shall bruise/crush you on the head, and you shall bruise/crush him on the heel" (Genesis 3:15). Certainly, Satan has bruised me on the heel (which literally occurred in my first trip to Africa), but I trust I bruise/crush him on the head, especially in Africa where we see testified the same thing per the heel of Italy and the crushed head of Satan. I pray that the exceedingly victorious work in Africa is indeed crushing his head, his headship over the church and over the world. A price has been paid by many in my going to Africa, but victory over Satan and his loss of the office of the twelfth apostle will be worth everything! Glory to Yahweh God!

This is my third time to go to Africa, and I hope to see Haman Satan's end, and to obtain the office of Judas which Satan obtained through violence. The passing over principle is that He passes over the first, He passes over the second, and He takes the third. I hope we receive the desired outcome on this third trip. May Yahweh fulfill His word!

Blessings,

Gary
