

# GARY REPORT

## Will Childbirth Continue In The Millennial Reign?, Part 3

Let us now examine yet more relative information pertaining to what we learned in the previous two reports. There we saw that there were two who were sent from above to the earth. First there was Satan, who was cast out of heaven and became the god and ruler of the earth. This is how we received these earthly bodies upon the fall, whereby the serpent sperm is cast down to the earth egg. And for six thousand years this first work has led to sin, corruption, and death! Here as well, this work and these bodies associated with it, are the first bird of Leviticus 14 that has to die. And of course what has to come afterwards is the fulfilling second bird work that ascends alive to be born from above. I hope you understand this. Up to now, the sole prospect for every person who has ever been born or even conceived is this first-bird experience, and they have ALL died! And outside of the Son of God, no man has had the second-bird experience of ascending alive into heaven. This is most important to realize and understand.

As we saw in the preceding report, "Redeeming The Work Of The Serpent Sperm, Part 2," in order to change this certain first-bird fate, the Son of God came and became the serpent on the stake: "Then Yahweh said to Moses, 'Make a fiery *serpent*, and set it on a standard; and it shall come about that everyone who is bitten, when he looks at it, he will live'" (Numbers 21:8). And in John 3:14-15 we read: "As Moses lifted up the serpent in the wilderness, even so must the Son of Man be lifted up; so that whoever believes will in Him have eternal life." As we saw in "Part 2," Yahshua had to become the serpent, even taking the place and identity of Satan, thereupon redeeming mankind, and will ultimately bring man into the second-bird experience. But notice, as the second to come from above that is sent to this earth, He had to become the serpent, Satan, thereupon redeeming all of mankind. Do you understand this process, as well as the scope of what is involved in these two birds—the death work of Satan and the life work of Yahshua? But the reality is that this latter redemptive work in its full form had to be delayed for two thousand years! Why? Because Satan has had a right to six thousand years of mankind. Thus, the balance of the two thousand years, including the two thousand swine of Christianity, has all had to go down into the sea of death!

All of this has been readdressed here in order to bring us to an important correction. In [Resurrection And Judgment, page 5](#), I concluded regarding the Millennial Reign: "If death ceases, and if Satan is bound, it seems that birth might also cease." Why this conclusion? Because these bodies are given to us by the serpent sperm being cast down to the earth egg. Therefore, how could this process then continue? But what I did not know and fully consider at that time was this matter of the redeeming work of Yahshua as the serpent on the pole. By fulfilling this, He redeemed that preceding outcome of death and could thereby reverse that curse, even as occurred in the wilderness where looking upon the bronze serpent on the pole overcame death and brought life.

Obviously though, we have not experienced this up to now, anymore than we have seen deliverance from this earthly flesh. But, with Yahshua cutting time short (significantly, stated in first Remnant Mathew 24:22 and Christianity Mark 13:20), this is when we can begin receiving the fuller benefit/provision of His redemptive work. Remember, the church has been in the wilderness for two thousand years and has not yet entered into the Promised Land that comes from above. One testimony of this is the law of Leviticus 13 as to how the revelation of leprosy is determined. We read that when there is a specific sign on one's body that appears to be leprosy, then the person is isolated for seven days, and "on the seventh day" the priest is to determine if he is leprous. You can be certain, all of this is written as prophecy concerning the fate of mankind, and the seventh day is indeed the Millennial Reign. This is the long awaited and MUCH needed day in which the state of "leprosy" is to be determined and man begin receiving his born-from-above body.

We see then that in the Millennial Reign Satan will be bound and the curse on the earth will finally be removed, and it appears that death can be no more. And with this, it seems evident that the curse of the serpent sperm being cast down to the earth egg will equally be removed, thus allowing birth to continue.

Also, Acts 3:19-21 tells us regarding the time we are living in:

"Therefore repent and return, so that your sins may be wiped away, in order that times of refreshing may come from the presence of the Lord; and that He may send Jesus, the Christ appointed for you, whom heaven must receive until *the period of restoration of all things* about which God spoke by the mouth of His holy prophets from ancient time."

This period is initiated with the work of the Elijah, concerning whom Yahshua clearly declared, "Elijah is coming and **will restore all things**" (Matthew 17:11). What could be clearer? And concerning this pivotal, life-changing event, Peter continues in verses 22 and 23:

"Moses said, 'The Lord God will raise up for you a prophet like me from your brethren; to him you shall give heed to everything he says to you. And it will be that every soul that does not heed that prophet shall be destroyed/rooted out from among the people.'"

There is only one prophet like Moses, and that is the Elijah. [See here](#). This essential work that precedes and prepares the way for Immanuel is our hope in this very day! Come quickly, Immanuel!
